

Multi-Specialty GP Educational Dinner

You are invited to join us on Tuesday
17th of November at 6.45pm

We are committed to providing high quality learning experiences that benefit our local GP community. We have listened to your colleagues and our next event will focus on **five speciality areas — ophthalmology, ENT, orthopaedic surgery, gastroenterology and urology**. Six local specialists will be giving a total of ten talks.

The presentations will be in a rapid-fire format, and case-based. There will be time for questions at the end of each talk. The event will be held at Martha's Restaurant, a stylish and rustic French bistro at Castlecrag.
