

Accredited Multi-Specialty GP Educational Dinner Event

Wednesday, 8 August 2018
at Castlecrag at 6:30pm

Dr Vicky Lu would like to invite you to attend our accredited educational dinner event on Wednesday 8 August.

We are committed to providing high quality learning experiences that benefit our local GP community. This event will focus on five speciality areas — **ophthalmology, radiology, rheumatology, endocrinology and cardiology.**

The event will be held at Holy Duck! in Castlecrag. Holy Duck! is the latest creation by Chefs Gallery, the king of modern chinese cuisine. With a nod to the joys of street food, they transform traditional Chinese dishes into modern favourites. Come and enjoy a true showcase of next-level Chinese BBQ and roasts, with duck at the core of the menu.

SPEAKERS

Dr Vicky Lu | Ophthalmologist | NORTHERN SYDNEY CATARACT, Northbridge
The problem with myopia.

Dr Vahid Afaghi | Radiologist | HARBOUR RADIOLOGY, North Sydney
Getting to the Heart of Coronary CT.

Dr Irwin Lim | Rheumatologist | BJC HEALTH, Chatswood
The truth about Methotrexate.

Dr Katherine Tonks | Endocrinologist | MATER HOSPITAL, North Sydney
SGLT2 inhibitors, the good, the bad and the ugly.

Dr Kim Mae Karin Chia | Cardiologist | NORTH SHORE PRIVATE, St Leonards
New technologies in the management of cardiac arrhythmias.

LEARNING OBJECTIVES

1. Evaluate the common causes of chronic painless visual loss requiring surgical treatment.
2. Determine the rule of calcium score assessment and CT coronary angiography in the cardiac patient.
3. Discuss and enhance your understanding of the role of Methotrexate in the management of rheumatological diseases.
4. Discuss and enhance your understanding of SGLT2 inhibitors in management of diabetes.
5. Illustrate the use of new technologies that have redefined management of cardiac arrhythmias.
